**Babysitter/ Caregiver/Nanny and Day Home Facility Access Consent**

Dear Parent/ Guardian:

In order for your child to participate in our unsupervised gym times under the care of a babysitter guardian, nanny or day home we require your written consent.

*Children under the age of twelve do not require a photo ID card to enter the facility, but we must have their information attached to their parent for identification purposes.*

The Caregiver is fully responsible for their supervision while inside the facility as these activities are unsupervised by our staff.

Once children turn twelve years of age they are able to enter the facility unsupervised and can then obtain their own photo ID Card. Until that time, if they are here with someone other than their parent or guardian it must be designated in this way, and they must always be accompanied by this person(s) while in the facility.
